

Located in the heart of downtown Hillsboro, The Venetian Theatre and Bistro is the place to go for fine dining and premium entertainment. This newly renovated historic building has a sophisticated and charming ambiance, making it perfect for intimate meals and festive gatherings.

Guests can order a sumptuous meal in the Bistro (where daily specials and a menu filled with pasta, burgers, and other delicious entrees make it difficult to choose just one dish) or sit at our elegant bar and sip specialty cocktails. Our drink menu features a large variety of concoctions that range from cozy winter beverages to ice cold summer refreshments. Patio seating is available in the summer months, and our large glass doors open up to a scene of relaxed comfort on Main Street.

Bag&Baggage Productions is Hillsboro's only professional theatre, and we are proud to be the in-house performing arts group at the beautiful and historic Venetian Theatre! The company offers four professional theatre productions a year at The Venetian, featuring an American classic, and holiday themed show in December, a Shakespeare play and a classic of English drama. The Venetian is an ideal venue for our performances as audiences can get a fantastic meal before the show, and a drink or cocktail during intermission. For more information on Bag&Baggage, or to purchase tickets, visit us online at www.bagnbaggage.org. Our bags are packed and we are going where the drama is! Join us at The Venetian and support professional theatre here in Hillsboro, where we all live, work and play!
